

The International Register of Consultant Herbalists and Homoeopaths

The Journal of Natural Medicine

Subscription Application

A Journal, produced by the IRCH is issued free to its members and is available by subscription to students and other interested parties, had its first issue published in April 1997. It is issued twice per year.

Each issue contains articles related to natural forms of medicine as well as news, case histories, book reviews, practitioner profiles and a Materia Medica.

Items of news, articles, letters etc for publication, together with advertisements are welcome. Submissions should be sent to the Editor
